## AN ELEGANT BUDGET WILDLIFE SAFARI EXPERIENCE

5 DAY / 4 NIGHT

DEPARTURES EX JOHANNESBURG ON MONDAYS RETURNING FRIDAYS

### DAY 1 MONDAY

Depart Johannesburg very early for your overland transfer to the lowveld or fly to Phalaborwa or Hoedspruit. This region, below the towering Drakensburg escarpment, is home to the Kruger National Park and the wonderful surrounding wildlife kingdom. On arrival in Hoedspruit you will be met by your ranger / guide and transferred to your lodge in the Hoedspruit Wildlife Estate or Panzi Bush Camp. After check in and a light lunch, your ranger / guide will give you an insight to the area and what to expect in the next few days. Later we enjoy a game drive and possible walk on the estate, with sundowners in the African bush. We return to the lodge for a traditional braai (BBQ) around the fire under the starry sky, before an early night to prepare for tomorrow's safari.

### DAY 2 TUESDAY

You will be woken before dawn for coffee and rusks before we depart on safari to the Kruger Park. The early hours offer the best opportunity of seeing the various predators, after the nights hunt and before they sleep for the day. Your guide will point out interesting facets of this magnificent wildlife reserve as you explore deeper in search of the different species. Because of its changing topography and habitats, the Kruger Park is home to the greatest diversity of wildlife species of any park in the world. Depending on game sightings and routings, your guide will choose a suitable breakfast and later, a lunch stop. We return to the lodge in mid afternoon for a well earned siesta. Tonight we treat you to dinner at a superb local restaurant to meet the locals and reminisce on the day's sightings. This is a wonderful end to a beautiful day.

### DAY 3 WEDNESDAY

The massive Drakensburg escarpment to the west of the lodge is not only a place of great beauty and varying ecology with its forests, streams and waterfalls but is also steeped in pioneering history and differing local cultures. After a hearty breakfast prepared by your guide we explore this region with its breathtaking vistas back over the lowveld. We visit the famous Blyde River Canyon, Bourke's Luck Potholes, Lisbon Falls, Pinnacle Rock and the aptly named God's Window. After lunch in the village of Graskop we descend back to the lowveld via Kowyn's Pass and Bushbuck Ridge. Maybe another evening drive and sundowners before a traditional potjiekos dinner, which had its origins with the "Voortrekkers" that we learned of today.

### DAY 4 THURSDAY

The region has some internationally renowned conservation centres like the Hoedspruit Endangered Species Breeding Centre and the Moholoholo Wildlife Rehabilitation Centre. After the optional early morning horseback game viewing safari, for those wishing to join this wonderful experience, we enjoy breakfast at the lodge. We then spend today visiting these centres to see and hear of the wonderful work they do. The breeding of endangered species like Cheetah and the rare Cape Wild Hunting Dog at the breeding centre and then the hands on experience of Moholoholo, make for a wonderful day. As this is the last evening we will take you on an exciting evening and night safari on open safari vehicles in Big 5 country. Your armed guide will point out the reflecting eyes of different species in the powerful spotlight. Dinner around the fire again is seen as a fitting end to your wonderful safari.

### DAY 5 FRIDAY

After breakfast and a last drive on the estate we will transfer you to meet your return transfer to Johannesburg or one of the airports. You may also join your walking safari or other activities you may have chosen from our products.
