Based in South Africa's Limpopo Province, Tembele Ecological Services and Safaris offers a wide range of ecological, wildlife management and tourism services.

Tours & safaris

Eden Routes is the tourism wing of Tembele, an operation that offers specialized ecological tours and safaris throughout Southern Africa (Botswana, Namibia, Zimbabwe, Mozambique and South Africa).

Our highly qualified and experienced guides have an in-depth knowledge of the entire Southern Africa and its ecology. Eden Routes offer's a wide variety of African experiences including: wildlife photographic safaris, big-5 walking safaris, specialized birding excursions, golfing safaris, adventure experiences and practical wildlife management experiences.

Additional services offered include day trips out of Polokwane and Makhado (Louis Trichardt), guided game drives in open safari vehicles, horseback safaris, wildlife activities and bush meals in the Polokwane Nature Reserve and transfers from and returning to Gauteng.

Tembele and Eden Routes offer the following eco-safari services :

Photographic trips:

One to four-day tour to the Kruger National Park,

Two night, three-day big-5 photographic safari to a private reserve in the lowveld.
